## **Cortec® Preservation Solutions**

In these challenging and uncertain times, we are focusing our attention on preservation solutions to help industries weather the global pandemic crisis.

Here's what we have been discussing this week:

### **Achieving Effective Equipment Preservation, Layup, and Mothballing in the Current Crisis**

Now, more than ever, companies need to protect their capital assets and WIP-cycle components in this time of uncertainty and unplanned shutdowns. Due to the impact of COVID-19, society must embrace the adage, "Hope for the best. Plan for the worst."
